**Re: New Horizon Investment Corp et al v. Mayor and Municipal Council of the
Township of Belleville
Case Number: 2:04-cv-3973**

Dear Judge Sheridan:

With the consent of counsel, I am requesting that the In-Court Settlement scheduled for June 25, 2008 be adjourned to either the last week in June or the first week in July.

I am requesting this adjournment as a result of a conflict which I did not know about when I was at the last settlement conference on June 4, 2008.

I would appreciate any courtesies that the court can extend.

Respectfully submitted,

Thomas S. DiBiasi
